FULLY SUBSIDISED MINOR HOME MODIFICATIONS AVAILABLE NOW! (LIMITED TIME ONLY)

Do you or someone in your household have a disability or mobility condition and need to change something around the home to make things easier to use, access or get around? Are you a carer or care giver who needs minor modifications made to your home to make it safer and easier for you to care for a person with a disability or mobility condition?

For a limited time only, MGCCI has funding available to undertake minor home modifications for eligible people living in the areas below, between 1st February and the 30th of June 2018.

Eligibility

- People under 65yrs or Aboriginal & Torres Strait Islander People under 50yrs
- People at risk of losing their independence
- People with a disability or medical condition that affects their ability to carry out daily activities
- Live in any of the catchment areas*

If you are eligible, we are standing by to discuss and determine with you your home modification needs, and to mobilise our team of access workers and qualified trade contractors to get the job done. If required we can also make a direct referral to a team of local and trusted Occupational Therapists ready to undertake and fast-track subsidised assessments for eligible people where required.

Minor Modifications

- Structural home changes to increase and maintain a person's functional independence to live capably & safely in their own home eg: hand & shower rails, smoke alarms, ramps, mobility access, taps, lightbulbs, accessible light switches, key safes, storm and home safe inspections
